REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: none of the cited prior art shows an arrangement of the steps/means for determining, selecting and generating data defining the polygons for the common depth as now claimed in claims 181, 195 and 205, processing the representations to replace each representation with the same number polygons, rendering the polygons and storing data defining the polygons for subsequent use, a step of using the stored data defines the required number of polygons for each representation, otherwise processing the representations to replace each representation with the required same number of polygons and rendering the polygons as now claimed in claims 194, 206, 207 and 210, a step of calculating an average size of at least some representations in 3D model and a step of generating a plurality of respective polygons to replace each representation, with the number of polygons for each representation being determined in dependence upon the calculated average size and such that the same number of polygons is generated for each representation as now claimed in claims 211, 212 and 214.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
